Page 1, paragraph four, word to be changed from inventory to sub area syntheses. Page two, to have words “blue print drawings” removed.

WORKSHOPS:

Mr. Kasper passed out pamphlets on workshops being held in November.

BUDGET:

Ms. Hilton had asked if there was a separate line item in the budget for the Open Space Index and Mr. Kasper said that he would check on this and found that yes there is.

PLANNING BOARD:

The Conservation members reviewed the following Planning Board application.

Beaver Creek, Section 2, Final Plan and had the following comments:

1. The driveways shown on lots 11 & 18 are not off set, also should the driveway at lot 50 be off set from the intersection.
2. The members question why there are two trees included in each lot at Auburn Meadows, while the lots at Beaver Creek which are larger, only show one tree.

OPEN SPACE INDEX:

On a recommendation from the Ontario County Planning Board, Mr. Kasper contacted

Mr. Bruce Gilman, from Finger Lakes Community College requesting any information that could be used in updating the Open Space Index. Mr. Kasper said the information received back was not what they were looking for.

Mr. Ron Brand joined the meeting at 8:31 to discuss the Open Space Index

Mr. Brand recommended the members look on line at Open Space Index plans from other towns. He suggested the Town of Chili (www.townchili.org) or the Town of Brighton.

Mr. Brand said that the Open Space Index does not need to be complex, but accurate.

Members should start with looking up sub area maps, listing any active agricultural lots, wet lands, flood plains, homes, empty lots etc. this will start building an inventory.

Mr. Brand also said that the Comprehensive Plan has been published. He discussed current applications in the town and future plans for the town.

ADOPT-A-HIGHWAY:
