To All Clubs

On Field/Off Field Behaviors

REF: LCC

Dear Clubs

In 2010 the LCC are striving to eradicate the amount of on field and off field incidents involving spectators, coaches and players within our Association.

The LCC in 2010 will be adopting a zero tolerance towards incidents involving sports rage, abuse of officials in any capacity and any other anti social behavior.

The LCC will be investigating each and every instance which a report is made or incident made to known to the LCC.

The LCC will convene hearings/discussions to determine if an incident should be elevated to the SPC for hearing based on the evidence at hand. Such hearings will require the attendance of those involved and their club representatives.

Incidents that are deemed to warrant hearing by an SPC will be forwarded to the SPC Chairman for scheduling in accordance with the Associations by-laws.

The LCC would ask that all clubs take a proactive approach in dealing with even the most minor of issues as they arise throughout the season so as to avoid in further incidents. This would include spectators, coaches and players.

The LCC looks forward to working with all clubs in season to 2010 in eradicating any unsavory incidents. In the event such incidents do occur, we look forward to dealing with those incidents in a pro active manner ensuring the game is there for all to enjoy.

Yours in sport

Rod Duncombe
