FYI...This is the lowest price we have had on hotels in years! Both hotels will offer an "after" gathering for students. This gathering will take place until midnight. The gathering will be held in special rooms at each hotel and will have a place available for pizza, music and fellowship. Also, each gathering will have possible "Hot Hearts Guests". Don't miss out on this!

Hot Hearts does not recommend nor endorse patronage of any particular hotel. As a service to churches outside of the Golden Triangle area, hotels have offered discounted rates for Hot Hearts Conference registrants. In order to receive these rates and help maintain our low conference fee, please mention that you are attending a Hot Hearts Conference when making your reservations. If you have any questions regarding hotels, call Adam Pardue at 409-722-0263.
