Some Things You Should Know Before You Come to HH 2012

We are looking forward to another exciting year, anxiously waiting for God's divine word to be shared. ***As you know, our primary desire is to reach students who do not have a relationship with Christ.*** As fellow ministers, we realize that getting these students to come can be a challenge and we want to say a very heart-felt, "Thank you!"

How can I Help?

The Prayer Ministry Team wants to remind you that we need volunteers from every church committed to pray during the weekend. Please ask adult leaders in your church to sign up as a member of our prayer team. We would like to have adults praying in 30 minute segments throughout the entire weekend in our prayer room. We will also have a prayer box where students can request prayer by submitting prayer requests. Please sign up for these great opportunities once you arrive at the conference.

College Ministry

The College Ministries would like to remind you to encourage your High School Juniors and Seniors to attend a reception on Friday night during "The Break". The location this year will be announced before the break. It will include cookies, punch and a chance to visit with the Baptist University representatives.

The Haley Bickham Memorial Scholarship

Each year, Hot Hearts is honored to give students a scholarship in Haley's memory. Seniors that attend Hot Hearts can pick up an application from the Lamar University BSM booth located in the upper concourse foyer. All seniors are encouraged to stop by and fill out an application.

Appreciating the Youth Ministers

We would like to invite you or a representative from your group to a reception on Saturday morning in the Exhibit Hall (new location this year). The reception will start shortly after the program begins. It will include drinks, pastries and an opportunity to visit with representatives from Hot Hearts and other ministries.

Hot Hearts Updates

Facebook: As we push towards the kick off of Hot Hearts 2012, we want to get information into your hands better. We want to encourage you to find us at www.facebook.com/HotHeartsBeaumont. Invite your students and leaders to find us also...it will be a great way to get your students ready for the weekend.

Website: We are in the process updating the website and have some new things happening. As you search you will find more information, clip art pages, and so much more. Let us know if you cannot find something or need more information.

Hot Hearts Global

This is new for Hot Hearts in 2012. We will be working on building house churches in the middle east through compassion kits. You can visit www.compassionkits.com and get some great information. The Hot Hearts website is being updated to have a page about how you and your group can help.

The Reason for Hot Hearts

There will be hundreds of students that will make a decision for Christ at Hot Hearts. You and the adults you bring will be vital in guiding these young people during the decision times. An Encourager meeting will take place shortly after the program begins on Friday. Even if you have many experiences in serving as an encourager, we still ask that you to attend this training time. Thank you for your commitment to

God's Kingdom!
